1.4. RESTRICTIONS:

- 1.4.1. Composite crews are not permitted.
- 1.4.2. Entries for crews will not be accepted from a non-school Rowing Club unless the membership of such club is open to all young people wishing to learn to row or scull.

1.5. QUERIES:

Any queries over eligibility for any event should be addressed to the Hon. Secretary for Entries prior to the entry being made (entries@nationalschoolsregatta.co.uk). The National Schools' Regatta will subsequently decide if the entry is acceptable.

2. CONDITIONS OF ENTRY

National Schools' Regatta 2022

May 27th-29th

- 2.6. No competitor may compete on all three days (except coxes).
- 2.7. Crews entered for 3rd 8+, must NOT contain more than 3 J16's (excluding cox).

- 2.9. J15s can only enter one J15 event across the 3 days, except that athletes entered into the J154x+ events on Friday may compete in the J15 8+ events on Saturday. They are however permitted to race in the J16 category as long as they have not raced in any J15 category. J16 rules apply.

Each competitor or crew shall have a named manager/coach. The coach must be over 18, named on the entry form and a current mobile phone number must be provided. (This information will be kept securely by the entries secretary, but will be readily available if it becomes necessary to contact the coach urgently.)

3. WATERMANSHIP

In the interest of safety, coaches are requested not to enter crews whose ability to cope with the Dorney Lake rough conditions and the 2000m distance is suspect. The Committee reserves the right to cancel an event; or withdraw crews from the Regatta who, due to lack of watermanship, may endanger the safety of themselves or of other crews, or disrupt the Regatta. Crews must be taught how to keep their boat straight on the start, when there is a side wind blowing. This is achieved by either Bow or 2 sculling with a blade parallel to the boat.

4. BICYCLES

There is to be NO CYCLING with the exception that ONLY two coaches per crew (whose bicycle must carry the prescribed tag) may follow each race.

No Cycling is allowed in the boating areas.

Cycling only permitted on the finish tower side of the course. No cycling is allowed on the marquee side of the course.

Clubs that do not follow these rules will not be allowed to follow crews for the remainder of the regatta.

Failure to adhere to these rules will result in disqualification of the crew or club from the regatta.

NO spectators will be allowed to follow races— will Schools and Clubs please inform supporters of this. Sanctions may be taken against clubs whose supporters or coaches contravene these rules.

May 27th-29th

5. PHOTOGRAPHY

Competitors and those responsible for them should be aware that photographers operate at national sporting events and the subsequent photographs may be freely used.

6. BOATS

Each crew shall provide its own boat. The Committee cannot make allowances for boat sharing in the timetable.

Each boat shall be fitted with an Empacher slot for a lane number, without which a crew may not start.

Attention is drawn to BR Rules of Racing 7-2-8(a). Coaches must ensure that boats are properly checked prior to being taken to the rafts.

7. PRIZES

Medals will be presented to the first three crews in all events provided that at least one further crew competes. Winners will be required to sign a receipt for any trophy taken away, to insure it, and to return it in good repair having been engraved.

Note that in the event of further racing being canceled due to weather conditions after the time trials have been conducted, prizes may be awarded on the basis of the time trial results. Therefore crews are advised to aim for their best possible time rather than a time that may be sufficient to qualify.

8. WITHDRAWAL

Any competitors who fail to appear for their races will be required to pay a penalty equal to the entry fee or they or their clubs may be debarred from other events in the regatta. Withdrawal will be excused without penalty if notice is given to the Hon. Sec. for Entries and there are acceptable reasons. If the penalty is not paid, no entries will be accepted from that school or club in the following year.
